

Inala's Top End Tour

Birds and Wildlife of Kakadu and the Kimberley Darwin - Kununurra

Itinerary updated by Dt Tonia Cochran, Inala Nature Tours 2 February 2023

Purple-crowned Fairy-wren by Alfred Schulte

ITINERARY OUTLINE:

- Day 1 Arrive Darwin**
- Day 2. Explore Darwin area**
- Day 3. Darwin to Jabiru. Kakadu**
- Day 4. Kakadu National Park**
- Day 5. Kakadu to Pine Creek**
- Day 6. Pine Creek to Timber Creek**
- Day 7. Timber Creek**
- Day 8. Timber Creek to Kununurra**
- Day 9. Kununurra**
- Day 10. Kununurra and depart**

This small group tour has been designed to follow our [Red Centre Tour](#)).

Overview:

This tour explores some of Australia's most iconic areas of Northern Australia, including Kakadu and the Kimberley. Some of our most sought-after birds, including Gouldian Finch and Hooded Parrot inhabit some of our most stunning landscapes. Join us for on our next journey across Australia's Top End!

Highlights:

Around 200 species of birds including range-restricted species like Hooded Parrot, Rainbow Pitta, Banded Fruit Dove, Sandstone Shrike-thrush, White-quilled and Chestnut-quilled Rock-pigeon, Gouldian Finch and Yellow Chat. Sought-after mammals include Short-eared and Wilkin's Rock-wallaby, Antilopine and Black Wallaroo, Black Flying-fox and Dingo. Enjoy Kakadu's vast wetlands, the Kimberley including Lake Argyle, as well as spectacular scenery, indigenous rock art and amazing boab trees (*Adansonia gregorii*).

Blue-faced Honeyeater - Bob Lewis

DETAILED ITINERARY:

B- breakfast; L- lunch; D-dinner

Day 1. Arrive Darwin or fly Alice Springs to Darwin if also taking our Red Centre tour.

Meet your guide and group over dinner at your Darwin hotel where you can get to know everyone and discuss the plans for the tour with your guide.

Accommodation: Travelodge Resort Darwin (en suite hotel room). **Meals included:** D

Day 2. Darwin and surrounds.

The tour will start in Darwin this morning. Darwin is surrounded by a fantastic diversity of habitat types that we will spend the day exploring for a range of interesting birds and mammals. Mangrove and monsoon forests are especially rich, hosting an impressive range of possible highlights includes the elusive Chestnut Rail, Rufous Owl, Orange-footed Scrub-fowl, Rose-crowned Fruit Dove, the striking Rainbow Pitta, Forest Kingfisher, Red-headed Myzomela, Mangrove Robin, Green Oriole, Blue-faced Honeyeater, Green-backed Gerygone, Spangled Drongo, Blue-winged Kookaburra, Great Bowerbird, Pheasant Coucal, Pied and Silver-backed Butcherbird and Red-collared Lorikeet. Little Red Flying-fox and Agile Wallaby are possible mammal highlights.

Accommodation: Travelodge Resort Darwin (en suite hotel room). **Meals included:** B, L, D

Green Pygmy-goose by Bob Lewis

Day 3. Darwin to Jabiru (Kakadu).

This morning we start the day with a visit to Fogg Dam. This well-known site is an excellent area for waterbirds including Magpie Goose, Green Pygmy-goose, Pied Heron, Glossy Ibis, the stately Brolga,

White-browed Crake and the quirky Comb-crested Jacana. En route to Kakadu we will enjoy a stop at the Adelaide River crossing for lunch where we may see Mangrove Golden Whistler and a variety of flycatchers like Shining, Paperbark and Broad-billed Flycatchers. As we enter Kakadu, we'll start seeing iconic waterbirds like Magpie Goose, Plumed and Wandering Whistling Ducks, Radjah Shelduck, Black-necked Stork, and Green Pygmy-goose. After dinner, if time permits, we may do some spotlighting for nocturnal species such as Southern Boobook, Tawny Frogmouth, Large-tailed Nightjar and Australian Owllet-nightjar.

Accommodation: Kakadu Mercure Crocodile Hotel Jabiru (en suite rooms). **Meals included:** B, L, D.

Gouldian Finch – Andrew Browne

Day 4. Kakadu National Park.

This morning we will visit Ubirr, a site of typical Arnhemland Escarpment rock outcrops, that is home to some impressive aboriginal rock art. The art depicts creation ancestors and animals of the area, including several fish and turtle species, wallabies and possums. Hopefully Wilkin's Rock Wallabies (a relatively recent split from Short-eared Rock Wallaby) may be present in the shade of the rocks, and birds we may see here include Sandstone Shrike-Thrush & Chestnut-quilled Rock Pigeon. Elsewhere throughout the park we'll hope to connect with tropical woodland species like Partridge Pigeon (red eyed form), Rainbow Bee-eater, Black Bittern, Long-tailed Finch and Rufous-throated Honeyeater. We will spend the afternoon in the Jabiru area of Kakadu which will include a visit to the Bowali Information Centre where an interpretive walk-through display explains in some detail the cultural heritage and natural history of the Gagadju (Kakadu) region. The Bininj-Mungguy indigenous culture dates back tens of thousands of years and there are some fascinating insights there at the centre; the surrounding grounds provide a good chance to see a range of birds. After dinner if we're feeling energetic, we can spotlight for mammals like Black-footed Tree-rat and Savannah (Sugar) Glider. After dinner if we're feeling energetic, we can spotlight for mammals like Black-footed Tree-rat and

Pheasant Coucal (male) – Bob Lewis

Savannah (Sugar) Glider.

Accommodation: Kakadu Mercure Crocodile Hotel Jabiru (en suite rooms). **Meals included:** B, L, D.

Day 5. Cooinda to Pine Creek.

This morning we will make an early visit to Nourlangie Rock where we have a reasonable chance of seeing the range-restricted Black Wallaroo, Banded Fruit-dove and White-lined Honeyeater. Also here are Little Woodswallow, Black-tailed-treecreeper and the sandstone form of Helmeted Friarbird. If time permits, we will also pay a visit to Anbangbang billabong. In the afternoon we will enjoy a cruise on the Yellow Waters Billabong, Kakadu's best-known wetland. This impressive wetland of channels, swamps and floodplains is a delight to explore and is home to crocodiles a-plenty and a variety of waterbirds including Nankeen Night-heron, Black-necked Stork, Little Kingfisher, White-bellied Sea-eagle, Pied Heron and Purple Swamphen. The stately Great-billed Heron and Black Bittern may also be seen. We will then enjoy a last look around Kakadu before making our way out of the park and south west towards the Pine Creek area. We will be sure to stop for any new birds and mammals on the way. After checking in to our accommodations we will have a look about town where the highly sought-after Hooded Parrot may be coming in to water, and also Red-winged Parrot, Gouldian Finch, Northern Rosella, Red-backed Kingfisher, the delightful Red-backed Fairy-wren, Australian Figbird, Great Bowerbird and Masked, Long-tailed & Double-barred Finches are possible.

Accommodation: Pine Creek Railway Resort (en suite rooms). **Meals included:** B, L, D.

Day 6. Pine Creek to Timber Creek.

Today we begin our journey west across the Top End. En route we have additional chances for Hooded Parrot and with luck, we may see the uncommon northern race of Crested Shrike-tit. We will explore the cane-grass habitat on the fringes of the Victoria River for the lovely Purple-crowned Fairy-wren and Yellow-rumped Mannikin. Freshwater Crocodiles are common here and, unlike their saltwater cousins, subsist mostly on fish, and thus pose little threat to large mammals (humans included!). Other possible species today include Red-tailed Black-cockatoo, Cockatiel, Rufous-throated, Black-chinned and Banded Honeyeaters and Buff-sided Robin. **Accommodation:** Timber Creek Hotel (en suite room). **Meals included:** B, L, D.

Yellow Chat by Andrew Browne

Day 7. Timber Creek.

Today will be dedicated to continuing our search for the stunning Gouldian Finch. This area is also home to rich diversity of species and there will be plenty to keep us entertained while we search for our quarry.

Highlights may include Spinifex Pigeon, Yellow-tinted & Grey-fronted Honeyeaters, Tawny Grassbird, Spotted Harrier, Star, Long-tailed & Masked Finches, and Chestnut-breasted and Yellow-rumped Mannikins.

Accommodation: Timber Creek Hotel (en suite room). **Meals included:** B, L, D.

Day 8. Timber Creek to Kununurra.

This morning we continue our sojourn west and cross the Western Australia border. We will be on the lookout for the very rare Pictorella Mannikin, as well as Budgerigar, Australian Bustard, Diamond Dove and various raptors as we go, including Square-tailed Kite & Black-breasted Buzzard. While today is a travel day, we will be passing through spectacular countryside and making regular stops to stretch our legs and enjoy any birding highlights. In the late afternoon, we will arrive in Kununurra in the fabled Kimberley area.

Accommodation: The Cambridge, Kununurra (en suite room). **Meals included:** B, L, D.

Day 9. Kununurra.

Today we have a full day to explore the riches of the Kimberley in the Kununurra area. A certain highlight is bound to be a boat trip on Lake Argyle, where we will enjoy a wonderful variety of waterbirds, as well as search for two very special birds, the highly sought-after Yellow Chat and White-quilled Rock Pigeon. Australian Reed-warbler may be seen in the lakeside vegetation, as might White-browed & Baillon's Crakes, Crimson Finch and Pheasant Coucal. Local conditions will determine where we spend the rest of the day, with additional possible birding

Spinifex Pigeon by Andrew Browne

highlights such the localised Kimberley form of Purple-backed Fairy-wren, Northern Rosella, Silver-crowned Friarbird, White-gaped Honeyeater, Bar-breasted and Rufous-banded Honeyeaters, and Sandstone Shrike-thrush being possible. Mammals in the area include Short-eared Rock-Wallaby and Northern Nail-tail Wallaby.

Accommodation: The Cambridge, Kununurra (en suite hotel room) **Meals included:** B, L, D.

Day 10. Kununurra and depart.

Participants will make their own arrangements for activities today and depart from Kununurra airport. For those flying back to Darwin today, there are 2 flights: Qantas flight QF8648 15:40-18:10 and QF8651 17:30-20:00 (not included in tour price). These are code-shared with [Airnorth](#) so please check both websites for the best flight prices.

Accommodation: none. **Meals included:** B

Price includes: 9 nights' accommodation, specialist guide and transport, meals, entrance fees and activities as mentioned in the itinerary.

Price does not include: International and domestic airfares, gratuities, alcoholic beverages, snacks, internet, laundry or other items of a personal nature.

OTHER NOTES:

- **Additional accommodation:** We would be pleased to arrange accommodation in Darwin prior to the tour if you wish or in Kununurra if you wish to stay on for extra days after the tour ends.
- **The itinerary:** Whilst we aim to follow the itinerary as planned, please note that the itinerary provided should only be used as a guideline. Depending on individual trip circumstances, weather, and local information, the exact itinerary may not be strictly adhered to. The guides reserve the right to make changes to the itinerary as they see fit.
